

Leading the Way  
in Intrathecal PainCare™

## Greetings from the team at AIS™ PainCare™!

Thank you for allowing AIS™ to provide the prescribed intrathecal medication for your implanted pump. As a leader in Intrathecal PainCare™, AIS prepares and supplies trusted medications like yours to thousands of patients throughout the United States.

A pharmacist is available for patient consultation 24/7. If you have any questions or patient needs please call toll-free at 1.877.443.4006.

AIS's PainCare service and support includes handling the financial end of intrathecal prescriptions. This means AIS directly bills your health insurance company.

We all know that the Explanation of Benefits (EOB) and invoices you receive for your prescription refills can be complicated and confusing. AIS is here to help. Please don't hesitate to contact a member of our billing and collections team, by phone or email, with any questions or concerns you may have. Our contact information is listed below.

Welcome to AIS. We look forward to serving all your Intrathecal PainCare needs.

*Patient first. Always!™*
